Sir:

In regard to the final Office Action dated October 4, 2006, it is respectfully requested that the rejections be reconsidered. This Office Action was a final rejection of claims 1-12, 15-20, 22, 23 and 33-42 of the subject application. However, the application is believed to be in condition for allowance because these claims are both novel and not obvious over the cited art. The justifications for these beliefs are presented below. As such, the applicants hereby respectfully request further examination and reconsideration of the subject application.
